EDUCATION

2021 - 24

Diploma in Computer Science & Eng.

Government Polytechnic Aurai
Bhadohi, Uttar Pradesh

2019 - 21

Intermediate (PCM) & High School

O.K.M. Inter College,
Lar, Deoria, Uttar Pradesh

SKILLS

Programming Languages

JavaScript, C

Frameworks

React.js, Next.js, Bootstrap

Backend & Database

Node.js, Express.js, MongoDB,
MySQL

Version Control

Git & GitHub

Tools & Platforms

Postman, GitHub

ABHISHEK KUSHWAHA

MERN STACK DEVELOPER

SUMMARY

MERN Stack Developer with 6 months of internship experience in building responsive web applications using MongoDB, Express.js, React.js, and Node.js. Proficient in JavaScript (ES6+), RESTful APIs, and front-end frameworks like Bootstrap. Demonstrated ability to collaborate in agile environments and deliver scalable solutions. Committed to continuous learning and staying updated with industry trends

INTERNSHIP

Techpile Technology Lucknow

Oct 2024 - April 2025

- Assisted in developing web applications using React.js and Node.js.
- Worked with Express.js, MongoDB, REST APIs, and JWT Authentication for backend development
- Developed a dashboard using the MERN stack with role-based access

PROJECTS

E-Commerce (MERN)

- Developed a full-featured online marketplace using MongoDB, Express.js, React, and Node.js, enabling seamless product browsing, cart management, and secure checkout.
- Implemented authentication (JWT), and responsive UI/UX to enhance user experience, ensuring high performance and scalability.

Hospital management (MERN)

- Built a comprehensive hospital management system using MongoDB, Express.js, React.js, and Node.js.
- Integrated appointment booking, patient history tracking.
- Created a responsive UI with React.js.
- Implemented secure authentication and authorization using JWT and bcrypt

Minor Projects

- Todo list generator, Tik Tak Toe Game, few web clones
- CRUD Operations (Full-Stack), JWT Authentication
